

**CLAIMS:**

In the claims, please amend the claims as follows:

Claims 1-9 (canceled)

10. (new) A vegetation integrated cover for a tool, which has a working portion and a handle extended therefrom, comprising:

a container, having a working cover portion and a handle cover portion to cover the working portion and handle of the tool respectively; and

a vegetation holder, designed to position artificial vegetation about the handle cover portion.

11. (new) The cover of claim 10, where in the vegetation holder is designed to removably retain the vegetation about the cover handle portion.
